The scorekeeper shall keep track of each team's cumulative fouls (excluding substitution fouls). Upon a team's 6th cumulative foul (*see below), the referee shall award a shoot-out situation against the opposing team to be taken as follows:

1. The ball is to be placed on the yellow line which intersects the violating team's defensive 1/3rd of the field.
2. A single player from the team committing the lesser number of fouls shall be allowed to stand behind the ball and the defending team's goalkeeper is to stand in his/her goal with his/her heels on the goal-line.
3. All other player's are to remain behind the centerline.
4. Upon a signal by the referee the player standing next to the ball restarts the game by touching the ball. Once ball is touched, the game restarts as a normal game.
5. Player may touch the ball as much as he/she would like and there is no requirement for another player to first touch the ball to score.
6. Upon the above occurrence, the scorekeeper shall re-set the penalized team's cumulative fouls to zero. Fouls carry over from one half to the next. After 6 fouls it only takes 4 to award another shoot-out.

Preliminary round games will be scored as follows: (Max points for a win = 10)

- Win = 6 points
- Tie = 3 points
- Loss = 0 points

2. Goal differential (max. 5 per game).
3. Most goals scored (max. 5 per game).
4. Least goals allowed (max. 5 per game).
5. Most shutouts
6. Least amount of red cards

Teams still tied after all of the above will toss a coin to determine the points winner. Forfeited games will be recorded as a 5-0 win for the non-forfeiting team. No grace period is to be allowed for teams not ready to play at the scheduled game time.

TOURNAMENT PLAY-OFFS:

Games which must result in a winner and are tied at the end of regulation time (i.e. semi-finals, finals, etc.) will be decided by a Penalty Shootout immediately following the game. Each team will take 5 shootout attempts. The team that scores more goals in their 5 attempts will be declared the winner. If teams are still tied after the five attempts, then each team will take 1 shootout attempt until there is a winner.
